

## Privacy statement

Kooyman BV respects the privacy of its customers and visitors of this website.

To properly operate our business, we sometimes collect, use and share personal information. For instance, to process and fulfil your orders or to improve your digital experience. We take care that personal information is treated confidentially.

Personal information is data that can be traced back to a data subject, you as a customer in this case. Depending on the type of relation we process various customer data elements about you, such as customer number, (company) name, gender, (delivery) address, email address, telephone number, bank/payment details and buying history.

The purpose of the collection of data elements can be the processing or delivery of orders, repairs, loyalty programs, distribution of marketing messages, newsletters, delivery of customer service or support, offering of financial services, conducting social media campaigns and collecting customer feedback.

For the realization of these goals it may be necessary to share personal information with third parties, like distributors or contractors. Personal information will never be shared with a third party without the need to do so.

Marketing messages will only be sent with your explicit consent. You have the right to withdraw that consent. In our e-mails and newsletters we give you the option to withdraw your consent.

We protect and secure the data we process in an appropriate way.

## Cookies

Cookies are small text files that can be used on websites to make the user experience more efficient.

Our website <https://kooymanbv.com> uses cookies to provide you with a better user experience, like showing the home page of the country you selected last when you visit our website the next time, to store your project lists and content of your shopping cart.

We also use cookies for statistical purposes, like identifying which pages are being used. This helps us to analyze data about web page traffic and improve our website. We only use this information for statistical analysis purposes.

If you don't want to allow cookies being used, you can switch this functionality off in your web browser.
